Quincy Memorial Bridge to open Nov. 30

QUINCY – The Illinois Department of Transportation announced that the Quincy Memorial Bridge (eastbound U.S. 24) will open on Tuesday, Nov. 30.

Normal traffic patterns will return to the Bayview Bridge and the Quincy Memorial Bridge, though lanes may be closed to remove traffic control devices. All lanes are scheduled to be open by the end of the week.

This \$7.25 million project consisted of resurfacing the bridge deck, joint replacements and repairs, painting, structural steel repairs, and lighting replacement. Remaining work will be completed next spring.

Over the next six years, IDOT is planning to improve more than 3,500 miles of highway and 9 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Accomplishments through Year Two included approximately \$5.2 billion of improvements statewide on 3,020 miles of highway, 270 bridges and 428 additional safety improvements.
